

Hopkinton Special Education Forum

If you have a child with special needs
or you want to learn more
About the special education process and journey,
you are invited to the
Hopkinton Special Education Forum
on May 28, 6:30-8 PM
to be held in the HMS Preschool Room.

We'll touch on these essential questions:

- *Do I need a degree to understand my child's IEP (Individual Education Plan)?*
- *Am I alone on this journey? Is my child the only one like this?*
- *If my child has an IEP can he/she fit in?*
- *Does anyone have to know if my child has an IEP?*

The Forum is sponsored by our district's *Special Education Monitoring and Improvement Team* made up of educators and parents, a group that has been in existence for nearly nine years. If you have questions, feel free to call Bill Carozza—746-3473 or email: bcarozza@hopkintonschools.org
